

ONLINE **2023** DOE SUMMIT

Dr. Martin Bezener

President/Director of R&D, Stat-Ease, Inc.

Martin joined Stat-Ease in 2014 and was named President in 2020. Since then he has been putting his skills and knowledge to use in the development of Stat-Ease 360 and Design-Expert® software. He also does consulting projects and teaches Stat-Ease workshops on DOE. In addition, Martin co-authored the book *Formulation Simplified: Finding the Sweet Spot through Design and Analysis of Experiments with Mixtures*.

Besides DOE expertise, Martin is skilled in Bayesian statistics and statistical modeling, and statistical computing. Martin graduated with a bachelor's degree in Mathematics from the University of Loyola, Chicago. He earned his PhD in Statistics in 2015 from the University of Minnesota.
